Parramore Visualization Plan:

1. Four or five map visualizations of Parramore from 1950-2020. The maps will show the neighborhood
 - a. during the Civil Rights era (1955-1965),
 - b. construction of I-4,
 - c. construction of SR-408,
 - d. Parramore in 2000, and
 - e. Parramore currently with the construction of sports venues, city, state, and federal government buildings, the UCF/Valencia campus, and the expansion of I-4.
2. Map visualizations will be accompanied by visualizations depicting population figures, home ownership, economic status, Black owned businesses, education, access to public transportation and health care, and voting numbers.
3. Oral histories depicting the history of the neighborhood from the mid-20th century to the present.
4. Public planning reports, images of Parramore, and additional documentation of the history of the neighborhood.
